Try not to abuse your power

I know we didn't choose to change

You might not wanna lose your power

But having it's so strange

She said you were a hero, you played the part

But you ruined her in a year, don't act like it was hard

And you swear you didn't know (didn't know)

No wonder why you didn't ask

She was sleeping in your clothes (in your clothes)

But now she's got to get to class

How dare you?

And how could you?

Will you only feel bad when they find out?

If you could take it all back, would you?

Try not to abuse your power

I know we didn't choose to change

You might not wanna lose your power

But having it's so strange

I thought that I was special, you made me feel

Like it was my fault you were the devil, lost your appeal

Does it keep you in control? (In control)

For you to keep her in a cage?

And you swear you didn't know (didn't know)

You said you thought she was your age

How dare you?

And how could you?

Will you only feel bad if it turns out

That they kill your contract?

Would you?

Try not to abuse your power

I know we didn't choose to change

You might not wanna lose your power

But power isn't pain

Mmm

Ooh-ooh-ooh-ooh

Ooh-ooh-ooh-ooh, hmm
